won't cry

I won't cry, I won't cry..  
 Cursed with mortality, that and morality combine  
 to haunt all the corners and cracks in the borders of my mind

I'm picturing you with confusion and wonder if  
 all your emotions are painted by number  
 and filed in appropriate boxes named under  
 the level of pain that's afflicted assunder  
 and I won't cry, no I won't cry...

A molatoffe cocktail explodes in a suburb in your time,  
 a butterflies wing keeps the ocean from freezing, a fine line

How do you live with the knowledge that your life's a lie  
 and that love is the breath of an echo  
 you heard before laying yourself down to sleep  
 in a glass case from which you might never awake from  
 and I won't cry, I won't cry..  
 no I won't cry, I won't cry...
